

Key to photos of the 1724 organ in De Grote Jakobijnerkerk (Leeuwarden, the Netherlands)
taken by Rebecca Schaffer Wells

Right from left top:

1: Action from manuals 1724 Müller organ

2: Organist Peter v.d. Zwaag at the original pump site (reservoir stretched beyond current façade, accommodated by the presence of an extra building attached at the façade); the benches are the original benches for pumpers

Right from left bottom:

3: Organist Peter v.d. Zwaag with reeds

4: Reeds in Bovenwerk
