

ST. JEROME

by Fr. Rob Jack

For thirty years, St. Jerome sat in a cave under a flickering candle performing his greatest work: translating the Old and New Testaments from Hebrew and Greek into Latin, the language of the people. Now the people were no longer limited to just listening to teachers pass on the story of Jesus, but they could read the words for themselves. They would come to know what St. John stressed in chapter 17:3 of his Gospel: **"Now this is eternal life, that they should know you, the only true God, and the one whom you sent, Jesus Christ."** The biggest concern of St. Jerome was that the faithful did not know Sacred Scripture, the Word of God, and therefore they could

never come to know the **Eternal Word of God**, Jesus Christ. That is why he wrote, "Ignorance of the Gospels is ignorance of Christ."

Today, we at Sacred Heart Radio carry on the tradition begun by St. Jerome. We do not sit in a dimly lit cave, but in a small studio with a microphone to pass on what we have seen and heard about Jesus. All of our programming is designed to help you prepare to meet Jesus Christ.

The shows you hear on Sacred Heart Radio have two equally important goals: The first is to help you use the knowledge we pass on about Jesus to have an

abundant and blessed life while enduring the crosses and obstacles that come your way.

The second is to keep you focused on the ultimate purpose of life, which is to be pleasing to God and to join him in heaven.

As we approach the first anniversary of **Driving Home the Faith**, I am constantly reminded of that two-fold mission.

I sit in my studio and talk to listeners all over the area on the radio, and across the country through the internet. I do not actually see any of you, but like my teacher St. Jerome, I am attempting with God's grace to translate my knowledge of God, the Church and the Faith into words that can inform, educate and inspire you. Your prayers and donations make this ministry possible. And even though you are not physically in studio with me every day from 4:00pm to 6:00pm, I imagine your presence in my mind and heart.

Please help us to continue to fill the airwaves with the knowledge and love of Jesus Christ. We pass on what we receive. With this apostolate we can help renew and purify the Church, challenge the assumptions of this world, and move individual hearts from ignorance of Christ to everlasting life in his name.

Driving Home the Faith--A Year On The Road!

The best part of hosting a daily radio show is coming up with engaging topics and guests that keep you coming back for more. Since **Driving Home the Faith** hit the road September 4, 2018, we have been blessed to talk with many of the best-known Catholic scholars and to publicize the tremendous work of local ministries throughout the Greater Cincinnati-Dayton areas. Behind the scenes, producer Gail Finke puts the lineup of great guests together while Paul Lachmann (the hardest working man in Catholic radio) operates the controls and gets you home with frequent Traffic Reports and Sports Updates. All along we have made sure to **listen to our listeners** and form a solid road map for our second year. Our goal for YEAR TWO is to accomplish **three things**; inform, educate and inspire.

We will **offer information** that is central to the Church, such as life issues and the persecution of Christians around the world. We will also share many projects and programs that care for the poor and spread the faith.

We will **offer education** in the basics of our Catholic faith by explaining Church doctrine in a way that is clear and concise. You'll also learn about worship, prayer, sacraments, and the Communion of Saints -- the great cloud of witnesses praying to get us to heaven.

We will **seek to inspire** you with authors and teachers who have gained insight into the mysteries of our faith through suffering, hardship, and perseverance. To encourage married couples and families, we will provide resources and guests

to guide their growth in the love and knowledge of God.

It's a joy ride to paradise, so buckle up... because we're **Driving Home the Faith!**

Inside: Ryan Lopez Fills in for Anna New Tuning Sheds + SHOW NOTES 7 Day Challenge + And MORE!

Behind the Mic

Ryan was born in the Philippines and moved to the suburbs of Los Angeles when he was 10 months old. He had a major conversion experience at **World Youth Day** in Sydney, Australia, in 2008. He eventually moved to Minnesota to join NET Ministries, who moved him and his wife Catherine to Cincinnati to open the NET satellite office for the Archdiocese. Since then he has worked for several other Catholic organizations before returning to join the Stewardship Office.

You've been hearing a new but familiar voice on the Son Rise Morning Show since Anna Mitchell went on maternity leave.

Ryan Lopez—half of the so-called “dynamic duo” of stewardship—has joined Matt Swaim as our temporary co-host. You've been hearing Ryan and his boss David Kissell every other week for more than a year now, unpacking practical ways to make stewardship a way of life.

Ryan is a part of the **Stewardship Department of the Archdiocese of Cincinnati**, where his main role is to organize the annual appeal, but also to help parishes build a culture of stewardship.

He and Catherine just had their second son a couple months ago, so he's already used to getting no sleep as he debuts as co-host on the Morning Show.

Ryan says he's excited for this new gig: *“God has always presented me with unique ways to spread my love for Him to others. This is definitely one of those unique opportunities. I am looking forward to learning a lot more about our faith through the people that I will have the privilege of interviewing.”*

So over these next few weeks, you'll be sure to get even more stewardship ideas, the possibility of impromptu pledge drives and a lot more talk about Angels perhaps the ones in heaven, but more likely the baseball team (he's a huge fan). Anna will be back (to gush over her Buckeyes) toward the end of October.

FEAST OF THE MOST SACRED HEART OF JESUS

the Angel's List

Most business owners count on the 4th quarter, NOW through the Christmas season, for a successful year. So NOW is the best time for you to be proactive with a little help from Sacred Heart Radio and the **Angel's List!**

Consider Radio. With so much business conducted online these days it is easy to overlook tried and true marketing strategies, like radio advertising! **Radio is still one of the most effective marketing tools and is a cheaper advertising medium than TV or print ads.** Sacred Heart Radio covers an immense and densely Catholic populated area. Underwriting SHR puts your business in front of over a half million **engaged Catholic listeners** from Dry Ridge to Dayton! And in the case of our nationally syndicated Son Rise Morning Show--**MILLIONS** of listeners across the U.S.

Use 'Word of Mouth.' Ask your customers to refer you to their friends and family. This is kind of a no-brainer, because when you run a good business, customers tend to tell others about their great experience. But this is also where the **Angel's List** can come in handy as a **referral** for your business. By underwriting SHR you help to support this Catholic Radio Apostolate *plus* you get the bonus of being on the Angel's List, a great **'word of mouth'** resource for potential clients and people who are looking for businesses that share their faith and values.

The Angel's List is immediately available on Sacred Heart Radio's website and has been downloaded by thousands of our listeners. Go to sacredheartradio.com and **CLICK** the Angel's List to see who underwrites SHR--**you should be there too!**

For more information on underwriting, email: Leah@sacredheartradio.com

You can help support SHR when you shop online!

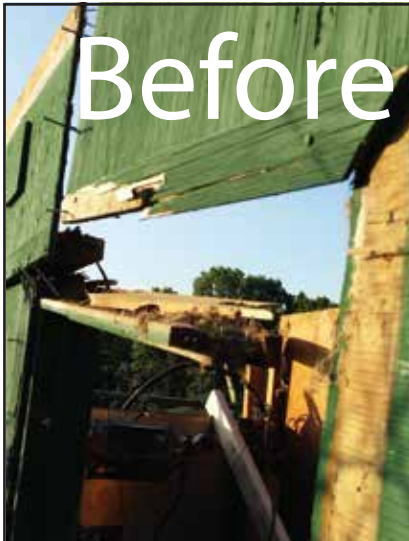

Go to sonrisemorningshow.com then click on **our** links to **Amazon** or **Mystic Monk Coffee**. You can shop like you normally do and without paying anything extra, a percentage of your purchase is directed to Sacred Heart Radio!

And while you're there, pick up a Son Rise Morning Show Mug or Travel Mug --for only \$10!

Before

If a picture is worth a thousand words--

these shots certainly speak volumes. With the rotted material from the old shed in a pile and the new PVC clad shed completed, the tuning controls housed at the base of this tower are now safe and dry allowing 740 AM to operate at peak performance for decades to come. **This was one of three small buildings at the base of the towers that had to be repaired, or in this case totally replaced,** after large chunks of ice falling from the towers "bombed" the buildings throughout the winter, followed by the heavy rains this spring. After our engineer Jim Gray saw how the weather had literally demolished the structures, we had to schedule reconstruction immediately.

Fortunately, the **Easter Pledge Drive** funds you donated for a studio expansion were still available to "borrow" for this project, as it had become an emergency!

Over the summer we also replaced all the beacons on the towers, and tightened the wires that hold up the towers. With weather-resistant metal roofs and PVC siding on the tuning sheds, and other multiyear maintenance on the towers now completed, we can focus again on the work of Catholic evangelization, confident that the broadcast on 740 AM...as well as 910 AM and 89.5 FM will continue **uninterrupted** for generations to come.

7 Day Challenge--Back In Gear!

With vacation season over, our regular routine of driving the kids to school and commuting to work- **kicks into high gear!** And with most of us in the car for more than thirty minutes a day, punching through our radio presets allows us to stay informed, hear our favorite songs and be inspired when listening to Sacred Heart Radio. But on the rare occasion that you're the co-pilot and given the reins to "select the channel," **put on Sacred Heart Radio!** After a few minutes of listening to the

Catholic perspective on current issues and events, they'll ask, "what station is this?" – and that's your opening to suggest locking SHR as one of their presets and trying us for a few minutes a day over a seven day period. A parishioner at St. Ignatius told Fr. Rob Jack how the **7 Day Challenge** worked for him, and now he listens **every day** to learn new things about his faith. So whether you're riding shot-gun with "dial control" or suggesting a new listening option for a long commute,

recommend the SHR **7 Day Challenge** while driving to and from work, the store, carting the kids to school, sports practice or music lessons... and, of course, heading to Sunday Mass.

Sacred Heart Radio is on 740 AM, 910 AM and 89.5 FM. Lock it in for seven days...and be changed forever!
